## Defendants Sentenced to 15 Years for Sexual Assault

February 22, 2023

Bryan, TX - Jaylon Jones, Davion Mitchell and Derrick Burleson, of Bryan, Texas were each sentenced to 15 years in prison for Aggravated Sexual Assault.

On December 16, 2021, the victim's father returned home from work to see his 15 year old daughter and three unknown men inside his home. All four were without their clothes. As the victim's father called the police, the three men gathered their clothes and ran out the back door.

The victim was interviewed at Scotty's House where she reported that she knew one of the men as Davion Mitchell, the second as Jaylon, but she did not know the third. She agreed to meet Davion at her home earlier in the day, but his friends were not welcome. When all three men appeared at her door she told them that they could not come inside. The third man displayed a firearm and demanded sex and forced their way inside. Jones took off her clothes and told her to lay on the bed. Each man forced her to perform sexual acts on them at gunpoint while the others watched and videoed the incident on their phones.

Det. J. Oehlke with the College Station Police Department was able to develop leads based on the description she provided. The victim and her family were pleased with the outcome of the case and the closure the plea provided. Inv. T. Graves and Mandie James were all invaluable parts of the trial team.
